Company Profile

KNR Sanitary Ware has been manufacturing quality sanitary ware product for many years. Our ceramic product undergoes stringent quality test hence bringing you the ornamental quality. KNR is a name that is known not just in India but across the world, as the regular bathroom favorite for its designs, shades and lasting value. our creations of clay have been exported to many countries.

These are available in vibrant colors, expressing comfort and luxury for modern bathrooms in household as well as the commercial sectors. We have a particular collection under the brand name

KNR has made a powerful market presence through an extensive network of distributors. Our mission is to enhance comfort in homes and improve quality of life through technologically advanced sanitary ware while following the concept are evolving as far as its decoration, plus accessories are concerned. Most urban homes are quickly supplementing the traditional mug and functional bucket with a day in the bathroom and that they want this space to reflect a cozy atmosphere.

The products that we manufacture and those we export are cross-checked before the final delivery. Our focus is to keep up with international quality standards at all times.

Graceful lines, impeccable curves and flawless finish - that's what ceramics for sanitary ware is all about. We are a leading manufacturer and exporter of One Piece, Pedestal Wash Basin, Table Top Wash Basin, Water Closet, Pan, Urinal, Accessories, Vitrosa, Rustic, Dutone, Wooden, Sticker Series collection etc.
